Description

Air India Jobs Near Me

Do you have a keen eye for detail and a passion for ensuring the smooth operation of complex systems? Are you looking for a challenging and rewarding career in a dynamic industry? If so, then a career as a Quality Control Coordinator at Air India might be the perfect fit for you!

Air India Jobs Near Me

Air India is one of India's leading airlines, offering a world-class travel experience to millions of passengers every year. As a Quality Control Coordinator, you'll play a vital role in upholding our high standards and ensuring the safety and efficiency of our operations.

Summary

In this role, you'll be responsible for developing and implementing quality control procedures across various aspects of our airline operations. You'll work closely with different departments, including ground operations, maintenance, and cabin crew, to identify and address any potential issues that could impact the safety or efficiency of our flights.

This is a remote position, offering you the flexibility to work from anywhere in India.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

- Develop, implement, and maintain comprehensive quality control programs for assigned areas of responsibility.
- Conduct regular audits and inspections to ensure compliance with company standards, regulations, and safety protocols.
- Analyze data and identify trends to pinpoint areas for improvement in quality control procedures.
- Prepare reports and presentations to communicate findings and recommendations to relevant stakeholders.
- Work collaboratively with other departments to address identified issues and implement corrective actions.
- Stay up-to-date on industry best practices and regulatory requirements for quality control in the aviation industry.
- Contribute to the continuous improvement of Air India's quality management system.

Required Skills and Qualifications

- Bachelor's degree in Quality Assurance, Aviation Management, or a related field (or equivalent experience).
- Minimum of 2 years of experience in a quality control role, preferably within the aviation industry.
- Strong analytical and problem-solving skills.
- Excellent communication, interpersonal, and collaboration skills.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Ability to work independently and as part of a team.
- A meticulous eye for detail and a commitment to quality.
- Strong understanding of aviation regulations and safety protocols (a plus).

Experience

This role is open to both freshers and experienced professionals. For freshers, a strong academic background in quality control or a related field, coupled with a willingness to learn, is a plus. For experienced professionals, a minimum of 2 years of experience in a quality control role, preferably within the aviation industry, is required.
