Job Summary

As a BYJU'S tutor, you'll play a vital role in helping students achieve their academic goals. You'll create a positive and engaging learning environment, deliver personalized instruction, and track student progress.

Key Responsibilities:

- Develop and deliver engaging lesson plans aligned with the BYJU'S curriculum and student learning objectives.
- Conduct live online classes using our interactive platform.
- Provide personalized attention to address individual student needs and answer their questions.
- Create and administer assessments to gauge student understanding and track progress.
- Motivate and inspire students to develop a love for learning.
- Maintain clear and consistent communication with students and parents.
- Participate in professional development opportunities to enhance your teaching skills.

Required Skills and Qualifications:

- Strong subject knowledge in the grades you wish to teach (typically Math, Science, or English)
- Excellent communication, interpersonal, and presentation skills
- Ability to create a positive and engaging learning environment
- Patience and a passion for teaching
- Proficiency in using online learning platforms
- A bachelor's degree is preferred, but not mandatory for all roles

Experience:

- BYJU'S welcomes applications from both recent graduates and experienced educators.
- Prior teaching experience, particularly in an online setting, is a plus but not required.
