Description

Cloud Architect Jobs Near Me

Wipro is searching for a passionate and experienced Cloud Architect to join our dynamic team and spearhead the design and implementation of innovative cloud-based solutions for our clients. As a Cloud Architect, you will play a pivotal role in shaping our cloud strategy, guiding our clients on their cloud journey, and ensuring the secure, scalable, and cost-effective delivery of cloud services.

Wipro Jobs Near Me

Responsibilities:

- Design and architect secure, scalable, and cost-optimized cloud solutions aligned with client business needs and industry best practices.
- Collaborate with stakeholders across the organization (clients, developers, operations) to understand requirements, translate them into technical solutions, and ensure successful implementation.
- Evaluate and recommend cloud platforms and services (AWS, Azure, GCP, etc.) based on specific project needs and client preferences.
- Develop and maintain cloud architecture documentation, including diagrams, specifications, and best practices.
- Stay abreast of the latest cloud trends, technologies, and tools, and share your expertise with the team.
- Lead and mentor junior team members on cloud architecture principles and best practices.
