Description

IBM Recruitment 2023

IBM is seeking a skilled and motivated IT Professional to join our team. As an IT Professional, you will play a crucial role in supporting our technological infrastructure and ensuring efficient and secure operations. This position requires a strong technical background, problem-solving skills, and the ability to collaborate effectively with cross-functional teams.

IBM Jobs Near Me

Responsibilities:

1. **System Administration:** Install, configure, and maintain computer systems and networks to ensure optimal performance and security. Monitor system health, troubleshoot issues, and implement necessary upgrades or patches. Maintain documentation of system configurations and procedures.
2. **Technical Support:** Provide technical support and troubleshooting assistance to end-users, both remotely and on-site. Respond to inquiries, resolve issues, and escalate complex problems when necessary. Communicate technical solutions in a clear and understandable manner.
3. **Cybersecurity:** Implement and maintain security measures to protect systems and data from unauthorized access or breaches. Monitor network traffic, conduct vulnerability assessments, and ensure compliance with company security policies and industry standards. Assist in incident

response and recovery efforts.

IBM Careers

Requirements:

1. **Technical Expertise:** Strong knowledge of computer hardware, software, networking, and operating systems. Proficiency in areas such as system administration, network administration, database management, or cybersecurity is highly desirable.
2. **Problem-Solving:** Excellent problem-solving and troubleshooting skills to identify root causes and implement effective solutions. The ability to think analytically, adapt to changing situations, and work under pressure is crucial.
3. **Collaboration:** Strong interpersonal skills and the ability to collaborate effectively with cross-functional teams. You should be able to communicate technical concepts to non-technical stakeholders and work collectively to achieve common goals.
