ICICI Bank Jobs Near Me

Responsibilities:

1. Financial data verification: Your primary responsibility as an Auditing Clerk will be to verify and validate financial data to ensure accuracy and compliance with regulatory requirements. This includes reviewing financial statements, invoices, receipts, and other relevant documents. You will perform reconciliations, cross-checking, and data analysis to identify discrepancies or irregularities and report them to the appropriate authorities.
2. Compliance monitoring: You will assist in monitoring compliance with internal policies, procedures, and external regulatory requirements. This involves conducting audits and assessments to ensure adherence to established guidelines and best practices. You will contribute to the development and implementation of internal controls and risk management

strategies, helping to safeguard the bank's assets and maintain the highest standards of integrity.

3. Documentation and reporting: You will maintain proper documentation of auditing procedures, findings, and recommendations. You will prepare audit reports and present them to management, highlighting any issues or areas for improvement. Your ability to effectively communicate audit findings and provide actionable insights will contribute to the bank's continuous improvement efforts.
