Description

Infosys Careers – Latest Opportunity – Customer Support Engineer Posts

About the Job

Join our team as a Customer Support Engineer and be part of a dynamic and innovative company! As a Customer Support Engineer, you will be responsible for providing top-notch technical support to our customers, resolving complex technical issues, and ensuring customer satisfaction. This is an excellent opportunity to develop your technical skills, work with a talented team, and contribute to the growth of our organization.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

Your key responsibilities will include:

- Providing technical support to customers via phone, email, or chat
- Troubleshooting and resolving complex technical issues
- Collaborating with internal teams to resolve customer issues
- Documenting customer interactions and issue resolutions
- Identifying and escalating recurring issues to improve product quality
- Staying up-to-date with product knowledge and technical skills
