Description

Jio Careers – Vacancy Job Alert – Quality Engineer Posts

About the Job

Jio is seeking a highly skilled and motivated Quality Engineer to join our team. As a Quality Engineer, you will be responsible for ensuring the quality of our products and services meet the highest standards. This is an excellent opportunity to work with a leading telecommunications company and contribute to the development of innovative solutions.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

The successful candidate will be responsible for:

- Developing and implementing quality control processes and procedures
- Conducting quality audits and identifying areas for improvement
- Collaborating with cross-functional teams to resolve quality issues
- Analyzing data to identify trends and opportunities for improvement
- Developing and maintaining quality metrics and reports
