Mankind Pharma Jobs Near Me

Responsibilities:

1. Product promotion and brand building: As a Marketing Associate, your primary responsibility will be to develop and implement marketing strategies to promote our products and build brand awareness. This includes conducting market research, identifying target customers, and creating compelling marketing campaigns. You will collaborate with cross-functional teams to execute promotional activities through various channels, such as digital marketing, social media, and traditional advertising.
2. Sales support and analysis: You will support the sales team by providing them with the necessary marketing collateral, product information, and sales tools. You will also assist in analyzing sales data, market trends, and competitor activities to identify opportunities and develop actionable insights. Your ability to understand market dynamics and consumer preferences will contribute to driving sales growth and achieving business

objectives.

3. Relationship management: Building and maintaining strong relationships with key stakeholders, including healthcare professionals, distributors, and retailers, will be a crucial aspect of your role. You will engage in regular communication and conduct promotional activities to enhance customer loyalty and satisfaction. Your exceptional interpersonal skills and customer-centric approach will strengthen the company's relationship with its stakeholders.
