#### Mankind Pharma Jobs Near Me

#### Responsibilities:

1. Sales and Business Development: Promote and sell Mankind Pharma's pharmaceutical products to healthcare professionals, including doctors, pharmacists, and hospitals. Build and maintain strong relationships with existing and potential customers. Identify new business opportunities, generate leads, and convert them into sales. Achieve assigned sales targets and contribute to the overall growth of the organization.
2. Customer Relationship Management: Understand customer needs and preferences, provide product information, and address inquiries and concerns. Conduct regular visits to healthcare professionals to establish and maintain a strong rapport. Provide excellent customer service, including timely follow-ups, order processing, and after-sales support. Ensure

customer satisfaction and retention.

3. **Market Intelligence and Reporting:** Gather market intelligence, including competitor activities, market trends, and customer feedback. Provide feedback to the sales management team to develop effective sales strategies and marketing campaigns. Prepare and submit sales reports, forecasts, and other required documentation accurately and on time. Utilize sales tools and technology to optimize sales processes.
