Wipro Jobs Near Me

Responsibilities:

- **Network Management & Maintenance:**

  - Monitor network performance and proactively identify and resolve potential issues.
  - Implement and maintain network configurations, adhering to best practices and security protocols.
  - Manage network devices, including routers, switches, firewalls, and load balancers.
  - Perform regular backups and disaster recovery procedures to ensure data integrity.

- **Troubleshooting & Problem-Solving:**

  - Diagnose and troubleshoot network outages, connectivity problems, and performance issues.

- Analyze network logs and data to identify root causes of problems.
- Collaborate with other IT teams to resolve complex technical issues.
- Document and share troubleshooting methods and solutions for future reference.

- **Security & Compliance:**

  - Implement and maintain network security policies and procedures to protect against cyber threats.
  - Monitor for security vulnerabilities and implement necessary patches and updates.
  - Stay informed about emerging cyber threats and best practices in network security.
