Description

Wipro Recruitment 2024

Are you passionate about technology and enjoy troubleshooting problems? Do you thrive in a fast-paced environment and possess excellent communication skills? If so, then a career as a Computer Technician at Wipro could be the perfect fit for you!

Wipro Jobs Near Me

Wipro is a leading global information technology, consulting, and business process services company. We are known for our innovative solutions, deep industry expertise, and commitment to sustainability. As a Wipro Computer Technician, you'll play a vital role in ensuring the smooth operation of our client's computer systems. You'll be responsible for diagnosing and resolving technical issues, installing and configuring hardware and software, and providing exceptional technical support to our users.

Summary

In this role, you'll be the go-to person for all things technical, working independently and collaboratively to maintain optimal computer system performance. You'll have the opportunity to develop your technical expertise while working with cutting-edge technologies in a dynamic and supportive environment.

Key Responsibilities

- Install, configure, and troubleshoot a variety of computer hardware and software.
- Diagnose and resolve technical problems efficiently and accurately.
- Provide technical support to users via phone, email, and in-person assistance.
- Perform preventive maintenance tasks to ensure system stability and performance.
- Maintain accurate documentation of all repairs and troubleshooting steps.
- Stay up-to-date on the latest technologies and industry best practices.
- Adhere to all company safety and security protocols.

Required Skills and Qualifications

- A strong understanding of computer hardware and software.
- Excellent problem-solving and analytical skills.
- Effective communication and interpersonal skills.
- The ability to work independently and as part of a team.
- A commitment to providing exceptional customer service.
- A valid A+ or equivalent IT certification is a plus.

Experience

This role is open to both recent graduates (freshers) and experienced computer technicians. We are looking for individuals with a passion for technology and a strong desire to learn.
