Zomato Jobs Near Me

Responsibilities:

1. Data Entry: Accurately enter and update data in the system, ensuring data integrity, consistency, and confidentiality. This includes entering information about new restaurants, updating menu items, and managing order-related data. Pay meticulous attention to detail to ensure accuracy in all data entry tasks.
2. Data Verification and Validation: Verify and validate data to ensure its accuracy and completeness. Cross-reference information from various sources to ensure consistency and resolve any discrepancies. Maintain data quality standards by conducting regular checks and audits.
3. Data Maintenance and Reporting: Regularly update and maintain the database by adding new information, modifying existing records, and archiving outdated data. Generate reports and analyze data to provide insights to relevant teams, support decision-making processes, and
